

## **2019 MILDURA VOCAL EISTEDDFOD NEWS**

Students spend many months of dedicated practise to prepare for competition and receive professional feedback on their performances from experts in the industry. Participating in the eisteddfod provides students with valuable performing experiences in a competitive but nurturing environment. Each year adjudicators recognise and comment on the wonderful talent we have here in Mildura, and this year was no exception.

**Miss Joelene Circosta,**  
Specialist Music, Singing & Choir Teacher

**We congratulate all students who participated this year and for their outstanding achievements.**
