

What's New, Murdoch 2023

Acknowledgement of Country

We acknowledge that Murdoch University is situated on the lands of the Whadjuk and Binjareb Noongar People.

We pay our respect to their enduring and dynamic culture and the leadership of Noongar Elders past and present.

The boodjar (Country) on which Murdoch University is located has, for thousands of years, been a place of learning. We at Murdoch University are proud to continue this long tradition

Murdoch University Ranked in the Top 3 for Overall Student Experience in Undergraduate IT Courses Nationally.

Westpac Young Technologists Scholarship

The Westpac Young Technologists Scholarship is open to school leavers who are starting a tech-based undergraduate degree in 2024. Students could be eligible for a scholarship valued at \$15,000 and includes access to paid internship opportunities and inspiring mentors, and an international learning experience in Asia. You will also have access to unique networks of people who would otherwise be out of reach. Best of all, you'll become a lifelong member of Westpac 100 Scholars Network, an inclusive group of some of the brightest minds in Australia.

For more information on eligibility and how to apply, please visit:

[2024 Westpac Young Technologists Scholarship](#)

New Engineering Scholarships Announced

Murdoch University is proud to announce two new engineering scholarships. These scholarships will formally be launched at the upcoming Sciences, Information Technology, Engineering and Mathematics Open Night on the 24th of August.

Murdoch University Access Engineering Scholarship

A \$12,000 Scholarship for students from equity, underrepresented, or marginalised groups, namely: Aboriginal or Torres Strait Islander (ATSI), Low Socio Economic (Financial Hardship) Regional and Remote, First in Family, Women in STEM, and LGBTQIA, to study the Bachelor Engineering Honours.

Murdoch University Indigenous Engineering Pathway Scholarship

A Scholarship for Aboriginal and Torres Strait Islander students to access engineering study or careers via the Bachelor Engineering Technology. Students can choose to complete the 3-year Bachelor of Engineering Technology program and receive \$9,000, or transfer to the 4-year Bachelor of Engineering Honours during the program to receive \$12,000, over the duration of their study.

Applications for the above scholarships open on Friday 25th of August. See the attached flyers for more details.

Murdoch University Open Nights

August 23rd – 30th

Join us as Murdoch University opens its doors welcoming you and your family to discover, explore and immerse yourselves in our amazing courses. Split over four nights, prospective students can experience how a degree from Murdoch University will equip them with the skills and knowledge needed to solve complex problems, think critically, and adapt to new technologies. Murdoch's degrees are designed by specialist academics and industry partners to ensure that our students are prepared for emerging industry and global trends.

Experience our new building, Boola Katitjin, as you visit exciting expo stalls from each of our course areas and engage with speakers throughout the evening by attending our TEDx style 10-minute information sessions.

With over 280 courses, there is a degree for everyone at Murdoch University.

Find out more, register and reserve your place by clicking on your desired night below:
