
Fresh North Queensland Mangoes Direct from the Farm to you!

We are pleased to bring you the annual **"AIC SWIMMING MANGO DRIVE"**
Funds raised each year assist with associated costs of running the **AIC Swimming Program**
including the AIC Senior & Junior Swim Camps and Swim Team Kits.

If you **love mangoes**, here's your chance to indulge in fresh juicy Kensington Pride mangoes
and support our AIC Swimming fundraising drive.

COST

\$20 per tray

Each tray will contain 4.5kg of Quality Kensington Pride Mangoes

IMPORTANT NOTE

Due to an unprecedented Australia-wide crop failure resulting in a 60% - 70% reduction in the usual mango crop, the mango trays will be 4.5kg instead of the usual 7kg. This is reflected in the lower price this year.

We are also restricted to ordering no more than we ordered last year, so the number of trays will be capped at 300, so first in, best dressed!
