Newsletter #2

Term 1, 2019

Welcome to Kelly Club 2019!

As new Preps and children have started attending Kelly Club OSHC we had a "Get to Know You" week so the children felt welcomed and comfortable. We gave out booklets that were 'all about you', made fruit faces and played group games. We engaged in conversation with all the children during roll time, finding out what their favourite things were! As a group, we also got the children to write down a value they would like to experience whilst at OSHC, which we then created into a value vine that goes around our door to be visible for all to see as a reminder of how we should act, and how we would like to be treated, this allows all children to get the chance to make new friends, engage in conversation and learn what everyone's likes and common interests are.

Chinese New Year was upon us the following week and we explored the country of China. The children learnt how to write their names in Chinese, ate yummy noodles and did some tricky word searches that had all words relating to Chinese New Year. This year is year of the pig, and in Chinese culture the pig is the symbol for wealth and fortune. A few of the children celebrated this holiday at home and shared their experiences with us at Kelly Club.
