

What's been happening...

What an action packed fortnight we have had!

We have spent some time both before and after school working on planting some new seedlings for our OSHClub garden! The children have been so excited to come in every day and see how much their plants have grown since the last time they checked in. We also had a pancake themed week where we made different kinds of styles and flavours of pancakes every session. The fan favourite appeared to be our colourful pancakes which you may have been greeted with last Friday! We also had a 'Teddy Bear Picnic' the same afternoon, which the children really enjoyed! We got to make some yummy cupcakes with our teddy friends. This Friday (20th), we are looking forward to having an OSHClub disco, which was heavily requested by the children! We hope to see you all there for some music and glowstick fun!

Just a reminder, we are still collecting donations for our drive to help get supplies for local community members suffering from homelessness, if anyone would like to donate the information is included below.

Non notified absences will incur a \$20 fee. Please be sure to notify the service via phone or via the parent portal app.

Policy Corner

Delivery and Collection of Children

At OSHClub, our number one priority is that we keep your children safe. To do so, we need to make sure that they are being dropped off and collected appropriately. When dropping off it is important that guardians walk their child to the door. This ensures that they make it here safely and allows us to potentially communicate any vital information. Collection of children is even more important as we need to ensure that your child is going home with the correct person. If you or a family member has never collected your child before, we will need to see ID and ensure they are authorised to pick up. If you do need someone different to collect your child as a one off, please let us know in writing with their full name. If you have any further questions regarding this policy - please let us know!

Child Safe Standard

Child Safe Standard 4

Here at OSHClub, we follow the Child Safe Standards which is a list of 11 standards that we need to implement to keep children safe. Child Safety Standard 4 is: Families and communities are informed and involved in promoting child safety and wellbeing.

We embed this standard by reflecting our child safety and philosophy statement as an embedded part of our practice, informing families about medical management we have in place regarding their children's medications and needs, discussing with families and school staff about the strategies to help support children's wellbeing and asking parents feedback on how our service promotes child safety and wellbeing.

Further to this, we are in the process of reviewing and updating all medicals and appreciate your support with this.

If you have any further suggestions on how we can embed this standard, please let us know.

Upcoming Events

Bunyip Oshclub are collecting donations to

HELP THE HOMELESS

We are collecting donations of travel sized shampoo, soap, sanitiser, toothbrush's, toothpaste, tissues and sanitary pads to distribute to the homeless community. Cash donation can also be made to contribute towards this.

Core Values

Our core values are

- community
- Safety
- Inclusion
- Respect
- Diversity
- Partnership
- Country Feel
- Friendship

Weekly Program

Our program is structured to support all children's needs, while engaging children and inspiring creativity. The program is designed by kids, for kids. We have also expanded our program to ensure family values are incorporated each week.

Bunyip Oshclub Philosophy

Children's voice

Children's voice is important to us here, we gain children's voice by one on one conversations, mini meetings, children feedback forms and student leaders

Community Engagement

Interacting with the community helps to keep Oshclubs, the school and the families core values met. We value all input and try to actively engage where possible.
