# FREQUENTLY ASKED QUESTIONS

## Why learn a language?

Learning a language has been shown to have many benefits, including enhancing creativity, problem solving ability, literacy skills and the maintenance of cultural identity. In recognition of the importance of languages, Victorian students receive a bonus towards their Australian Tertiary Admission Rank (ATAR) score for successful completion of a VCE accredited language. Languages provide advantages for employment, with increasing numbers of companies seeking bi/multi lingual speakers to remain competitive in an interconnected global world. Languages add to Australia's economic wealth and security, and increase the capacity to communicate in a range of forums and situations. Students who complete a Unit 3&4 sequence in VCE Language/s may be eligible for the award of the VCE (Baccalaureate) – check eligibility requirements.

## How many languages can I choose from?

Currently, more than 48 languages are available at the VSL. For a full list refer to the opposite page.

## Where and when can I learn a language?

The VSL offers **face-to-face** classes at over 40 Centres in Melbourne, Geelong and regional areas. Most classes operate on a Saturday, from 9am to 12.20pm. Some weeknight classes operate after school hours. Classes are not usually held during school vacations, on public holidays, or on a long weekend.

At the time of publication, the teaching sessions for the Saturday classes of the VSL for 2019 are:

**TERM 1** February 9, 16, 23 **March** 2, 16, 23, 30

**TERM 2** April 27 **May** 4, 11, 18, 25 **June** 1, 15, 22 (VCE Only - F - 10 Report distribution)

**TERM 3** July 20, 27 **August** 3, 10, 17, 24, 31 **September** 7, 14, 21 (VCE only)

**TERM 4** October 12, 19, 26 **November** 2, 9 (Final day VCE), 16, 23 (Final day Years 1-10)

**Distance Education** mode is available in 12 languages - Arabic, Chinese, Classical Greek, French, German, Greek, Hindi, Indonesian, Italian, Japanese, Latin and Spanish. Please refer to our separate brochure to find out more about Distance mode or check the website:

[www.vsl.vic.edu.au](http://www.vsl.vic.edu.au)

## Am I eligible to enrol?

The VSL enrolls students from Years F to 12 (VCE) who are unable to study their language of choice at their home school. Students from all educational sectors (Government, Independent and Catholic) are eligible to enrol. Currently more than 16,000 students learn a language with the VSL.

Adults may enrol to study the language at VCE level only, if there are vacancies. Adult students must obtain a satisfactory police record check. Where available at Centres and via Distance mode, secondary students and adults may enrol in a 'Certificate in Language' Course as an alternative pathway to VCE. This is a nationally accredited qualification provided under the VSL's auspice as a Registered Training Organisation.

## How much does it cost?

As part of the Department of Education & Training (DET), the VSL is a government funded school. The VSL offers quality courses aligned with government curriculum standards and makes language education both accessible and affordable for all Victorian students. To assist with the cost of notes, class sets, photocopying, curriculum materials and other administrative expenses, a small annual charge applies.

For 2019 this charge is:

**Students in Years F-10 \$80**    **Students in Years 11- 12 \$95**    **Adult and Tuition Students (VCE) \$220**

Payment may be made at Australia Post, via the internet, telephone or B-Pay. Details are provided on the enrolment invoice.

## Who will be my teacher?

The VSL is the largest single provider of languages in Victoria. The VSL seeks to employ quality staff, with qualifications, experience, professional registration and the capacity to make learning a language an engaging and meaningful pursuit. A range of teaching and delivery methods are employed to cater for our diverse student learning styles and needs. Teachers regularly undertake professional training and development as part of their employment with the VSL. The curriculum is aligned with government educational frameworks and standards including the Victorian Curriculum Framework and VCE study designs. Student reports are issued twice per year. Excellent achievements by VSL students are demonstrated annually by the large numbers who gain perfect VCE scores, top scores in the upper percentile range and students who receive Premier's Awards. Our 'Top Scorer' evening is an annual event attended by hundreds of students, parents, teachers, dignitaries and community members to celebrate our outstanding student achievements.

## How do I enrol?

All students who are Australian citizens or who have residency status must complete an online VSL *Enrolment* on the VSL website.

**VCE students:** Years 11 and 12: Full time students at the home school should apply for VCE entry first through the VSL (an *Assessing School Notification Form* will be provided for the home school). Non-school based students wishing to present for VCE assessment must make the application through the VSL. It is the responsibility of all VCE students to ensure their enrolment is confirmed through their home school.

**International students** may enrol in VSL courses through the home school. The International Education Division will inform schools of the enrolment process. Identity documents need to accompany the enrolment. International students enrolled in TAFE colleges or non-government English language centres are regarded as students of non-government schools and must pay the full fee prior to enrolment.

Classes are established subject to sufficient enrolments, availability of staff and other DE&T requirements. If a class is cancelled by the VSL and students cannot be allocated to other classes, a refund will be made in full. In other cases, refund applications need to be made within the first three weeks of commencement of classes and a service fee will be deducted.

**Further details are available on our website [www.vsl.vic.edu.au](http://www.vsl.vic.edu.au)**

Other languages or locations may be offered, depending on available resources and demand. Some levels may not be offered if there are insufficient students.
