## PE Newsletter

**Term 1, 2020**

### Week 2-3

Indigenous Games-during the first two weeks students will be learning many new indigenous games. These games involve skills that students have already begun to consolidate including aim, accuracy and fitness as well as team work. They will also incorporate understanding the expectations of physical education classes and are fun and challenging.

### Week 4-6

Soccer will be our focus during weeks 4-6. Skills that will be covered will include; passing, trapping, dribbling and shooting. We will also understand how working in a team includes all players and every position is important. We will also be using this time to trial players for the St James school Soccer Team which will be competing at the Holt District competition on Friday the 17th April.

### Week 7-9

Athletics will be our focus for the last three weeks of term. Our St James Athletics carnival will be held on Tuesday the 28th April so in order to prepare our students we will be practising the skills that will be needed on this day. Including the following; long, triple and high jump. Sprints, distance running and relays as well as discus and shot put.
