Dustin Martin : My Story So Far
by Dustin Martin

This is an authorized biography of Dustin Martin about his journey to being an AFL star. It talks about his childhood and teenage years in the lead up to being one of the best AFL players in history.

As someone who is really interested in Richmond Football Club, I enjoyed the opportunity to get a behind the scenes look at Dustin Martin's life.

Amy, Year 9

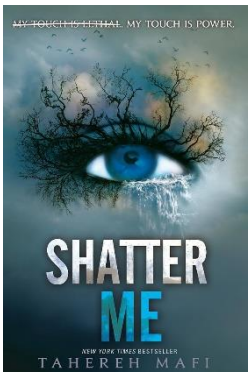

Skin Deep
by Hayley Lawrence

Skin Deep is about a girl called Scarlett who was in a car fire and got severely burnt on one side of her body. In parts of the book, she explains the befores and afters of the accident and gives a detailed insight into what happened.

This book makes you consider other people's lives and how they have struggled and survived under difficult circumstances.

Isla, Year 7

Shatter Me series.
by Tahereh Mafi

A girl has been isolated in an asylum for something she didn't do. As the story develops, her character also develops into a strong and fearless woman. However, she must find her way out of a past that is slowly creeping up on her, destroying her little by little, until she shatters to pieces. Will she find her way out of this complicated maze?

The writing is very descriptive and conveys emotions strongly, making you read until you lose track of time.
