

At Hampton Park Secondary College, we celebrate success!

Our aim is to educate our students to learn to be critical thinkers who are reflective, self-disciplined and motivated, empathetic and socially competent with the knowledge, capabilities and attitudes that will serve them today and in their future pursuits – as leaders of tomorrow. We recognise that “one size does not fit all” and for this reason deliver programs that uphold our College values of **Respect, Learning and Working Together**.

At Hampton Park Secondary College we believe that all students are unique, with different interests and strengths. Success looks different for everyone and is recognised and celebrated through assemblies; value, sport and community awards are presented. Presentation Evening recognises achievements of our students across all subjects and year levels including a VCE and VCAL dux. We formally acknowledge the following 2019 Graduates who have been dedicated to their studies and school community at Hampton Park Secondary College.

Stacey Cameron completed her Senior VCAL including a Certificate III in Early Childhood Education and Care. Her work placement was so impressed with her in 2018 that they asked her to continue on in 2019. Stacey positively contributed to the Hampton Park Secondary College community in her role as VCAL leader. She won the Senior VCAL Literacy and Personal Development Skills awards. A keen athlete, Stacey represented the school in netball and basketball whilst balancing her school work, TAFE and work placement. She will be completing her Diploma of Early Childhood Education and Care in 2020.

Charm Famillaran started at HPSC in 2018 as an EAL student. She proved to be a highly motivated and ambitious student who always met deadlines and ensured her work was of the highest standard. She satisfactorily completed all Year 12 coursework before the end of Term 3 and then began the enrolment process for a Diploma of Nursing. Charm is currently working full-time in the workforce while awaiting for her course to commence.

Jessica Hogan was one of Hampton Park Secondary College's School Captains in 2019. Throughout her schooling she was highly dedicated to her studies, striving to achieve to the highest of standards. Jessica involved herself in numerous extra-curricular activities including debating, model United Nations activities and SRC representative. Jessica has been recognised for her success at HPSC; being the recipient of many awards including The Australian Defence Force Long Tan Award for Leadership and the Joan Kirner award for Education. Next year she hopes to study medicine or biomedicine. ATAR 88.05

Konstantinos Kinias began at Hampton Park Secondary College in Year 7. He has always been very dedicated towards his studies, applying himself in all subjects. Kon has been a regular recipient of many subject awards from Year 7 – 11. He achieved the Most Outstanding HPSC VCE student in Chemistry, Physics and Specialist Maths in 2019. He also received the Principal's award for his high standard of academic performance and excellent contribution to the HPSC community. He hopes to undertake a Bachelor of Science in 2020. Kon is the recipient of the VCE Dux Award. ATAR 90.05

Cain Stansfield was one of Hampton Park Secondary College's School Captains acting as a positive ambassador and advocate for VCAL as a valuable pathway option for students. He regularly promoted the program, speaking at information evenings and expos. Cain was nominated for the VCAL Personal Development Skills Outstanding Student Achievement Award. Cain has secured a

pre-apprenticeship in carpentry with the company he did work placement with throughout 2019. Cain is the recipient of the VCAL Dux Award.

Shahnaz Yaqubi arrived in Australia in 2016, with little prior education. When she first arrived at the College she was dedicated to mastering the English language and learning new information. Shahnaz completed her Year 10 Work Experience in “Hands on Health” with Monash University and was excited by what she learnt. This led to her desire to work toward her goal of working in the medical field, particularly Physiotherapy or Medicine. Shahnaz is extremely committed to her studies and was acknowledged for her excellence, being awarded Most Outstanding or Consistent student in English as an Additional Language, Physics, Psychology and Chemistry. ATAR 90.00

Salman Yousufi was one of Hampton Park Secondary College’s School Captains. He arrived in Australia in 2017 and began at the school, having had no formal education. Salman always strived to be the best person that he can be, also aspiring to bring about positive change in the community and the world. He actively engaged in a variety of community-based activities which sought to educate others about their world including the Casey Migrant “Bukjeh” Art Project, Common Ground, Model United Nations, debating, an author in “Tales of Hampton Park” and a member of a panel discussing women’s rights and gender equality at the “African Women’s and Families Network and Partners” forum on International Women’s Day.
