## *vacation care information*

July 2015

Dear Parents,

I would like to thank you all and the children for making this Vacation Care another great one. It takes hard work and determination to run a quality service.

During the July 2015 Vacation Care Program, the students engaged in a variety of fun and exciting indoor and outdoor activities.

The students were involved in four excursions: The Odeon Theatre and playground at Semaphore, Beachouse Glenelg, Mellor Park and the Kids cooking class at Marion Shopping Centre.

We also had two Incursions. Mini Golf and a dancing instructor for our dance party day. The children learnt new and popular dance moves.

The children also engaged in various art & craft activities including kite making, painting pictures/mini canvas and using a range of construction materials to make different structures.

**Vacation Care Program:** Vacation Care booklets will be available on Monday 24th August from our website, the front office and OSHC room. The last day for bookings will be Friday 19th September 2015.

We would love to hear your thoughts on our most recent Vacation Care Program. Please forward any feedback or suggestion to the Director **Via email : [Maria.Morello708@schools.sa.edu.au](mailto:Maria.Morello708@schools.sa.edu.au)**

I would also like to say thank you to all of the educators for their hard work and support through these holidays and for those educators who have implemented activities. They have done a fantastic job!

### Payments:

Parents are asked to use the red & white envelopes provided and place in the locked letter-box (located in the OSHC room) to make payments. The children are our first priority and we must ensure there is adequate supervision at all times meaning that we are not always able to leave the floor to take payments. Alternative payment options are Bizgate or by phone during office hours.

If you have any further questions please don't hesitate to call us on 84435308 or 0411236014.

Thank you  
Maria Morello  
Director

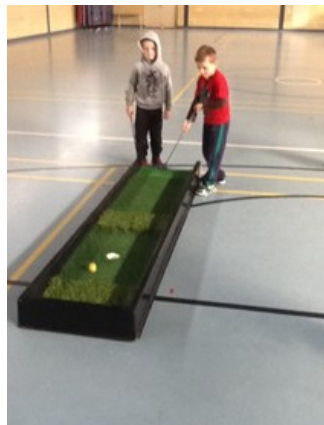

### Pyjama Day:

The children enjoyed the day dressing up in their Pj's and played party games. Pass the parcel, musical statues, red rover all over, limbo & pin the bow tie on the penguin. They also enjoyed eating yummy party food including pizza, spring rolls, nuggets, pies & pasties and sausage rolls. All the children spent the afternoon dancing away to their favourite party songs.

### Mini Golf:

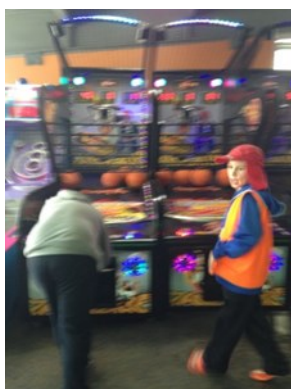

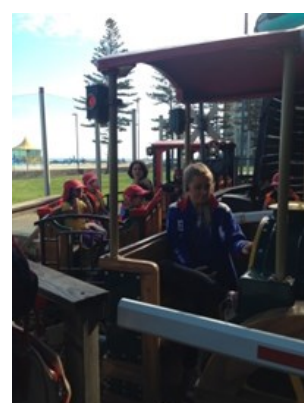

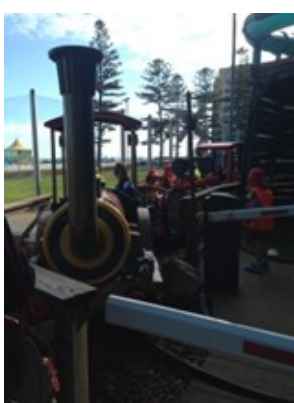

The children had fun playing mini golf with their friends in the gym. There were 9 different stations, some more challenging than others including curves, hills, tricky thin sections and one over a bridge. The children were very proud of themselves once they accomplished all the stations.

### **Beachouse Glenelg:**

The children enjoyed the day playing arcade games, car racing, dance challenge, mini basketball, bumper cars, mini golf, the indoor playground and going for a ride on the train and merry-go-round. We had lunch under the rotunda and then played: roll down the hill, cartwheels, red rover and gymnastics on the grass. This was our most popular excursion !

### **Kids Cooking Day at Marion:**

The children attend a cooking class at Marion Shopping Centre, where they experienced hands on cooking. Children learnt how to make protein balls by measuring and combining ingredients, mixing and rolling into balls and then coating in coconut. They also had the opportunity to make ice cream. Once the children finished cooking they played some games using the foam blocks and noodles.

### Dance Day:

The children followed and learnt the steps to a dance from the dance instructor, Katie. Then the children created and performed their own dances either in a group or individually.

After that the children had a dance competition, played limbo and did more dancing.

### Sports Day:

The children spent the morning in the gym playing a range of different sports and games including soccer, basketball, three legged races, running races, egg & spoon race. Then we went outside and played dodgeball.

### Decorate a Kite & Art & Craft:

The children undertook a range of art & craft activities including kite making, drawing, painting pictures on a small canvas and using construction materials to make different structures.

The children also used a range of different materials to decorate their making including straws, streamers, string, glitter, paints and feathers.
