IS PLEASED TO HOST

ADOLESCENCE UNPLUGGED

PRESENTED BY

MAGGIE DENT

AUTHOR, EDUCATOR AND RESILIENCE SPECIALIST

From Maggie's extensive experience of working with adolescents for more than 30 years as a teacher and counsellor, she has created an innovative, dynamic seminar for families, schools and communities to build resilience and connectedness in 12-25 year-olds. Adolescents need adult allies to help them navigate the tricky waters of the teenage years – the art of guiding and encouraging empowerment while strengthening self-esteem and personal autonomy is one that can be learned. This seminar explores the shift in raising children to raising adolescents, and what works and what won't.
