Dear Parents and Carers,

As part of the Stage 2 and 3 Personal Development, Health and Physical Education curriculum (PDHPE), students are required to be involved in lessons dealing with sexual reproduction, personal development through the teenage years and relationship issues. We will also embed cyber safety into our lessons and discussions. All lessons are tailored for students at their stage level.

The lessons will be ongoing throughout 2024 and students will have the opportunity to ask questions relating to the topics covered.

As these lessons are part of the NSW PDHPE syllabus, we do not need to gain permission however, if you do **not** give permission for your child/children to be involved in these lessons, please complete the section below and return it to school by Monday 11<sup>th</sup> March 2024

Please contact me at the school if you have any questions relating to these essential lessons in our PDHPE curriculum.
