

school holiday social activities

July 2020
program
NOW AVAILABLE

**GENUINE
COMMUNITY
EXPERIENCE**

Legacy Lifestyle Supports offers daily living supports and respite services for children with disabilities South of Adelaide.

We also run disability and community inclusive holidays programs for children of different ages and will be running them again in July 2020 at Wardli Youth Centre.

Our programs are not just for those with NDIS, but community passes are also provided so that siblings who are not on NDIS or friends who may want to go can too with more information on our website linked below.

We will be continuing to support health regulations relating to COVID-19 by offering less tickets for the indoor programs to allow for closer monitoring of hygiene and social distancing.

To compensate for this, online options are also available and will include an activity pack being delivered to your home as well as zoom links to join our on-site crew on the day for the activity times.

Visit <http://legacylifestylesupports.com.au/events-more/> for more information.
