

Nestled at the heart of the Royal Queensland Yacht Squadron in Manly, the PMSA Sailing program is a dynamic and exhilarating initiative crafted to introduce students to the captivating realm of sailing.

The PMSA Activities Sailing Program is designed to offer a unique and enriching experience for students in Years 6-12 who attend Brisbane Boy's College, Clayfield College, and Somerville House. Whether you are new to sailing or an experienced sailor, the program will cater to a wide range of skill levels – from development squads to racing teams. The program is scheduled to run every Sunday in Term 4 and Term 1.

Learn to Sail

Prior to participating in races, students must have successfully completed a Learn to Sail course. These courses are readily available through RQYS (Royal Queensland Yacht Squadron) or DPSS (Darling Point Sailing Squadron). Learning to sail involves the completion of Tackers 1 and 2 or Start Sailing 1 and 2 (depending on the child's age).
