Around the Grounds

6A

6B

Great way to finish off the season for the boys with a 4-1 over Ambrose Tracy College. Getting 4 goals in the first half. With 2 goals each from Ben and Gun who were chasing the third the whole game. Probably our easiest game of the season unlucky not to put a couple more past a very weak side. Finishing off the season in an incredible way, showing how good our team was but unfortunately not many games went our way. Great season for the boys and very unlucky to end up second-best a lot of the time. Big future ahead for many of the boys who should be hoping to secure their spot in the A's next year. Great way to end the season and well done to everyone.

6C

Against a gritty 6 Gold team, the 6C's had to fight hard in their final game of the year. Whilst it was pleasing to secure a win to finish the season, what has been most pleasing is the steady improvement of the team. This was evident in their improved efforts across both attack and defence as the season went on. Highlights from Saturday's game include Eli's long-range goal from about 20 metres away, Henri's non-stop efforts at both ends of the field and the positive sportsmanship on display from both the 6C and 6 Gold teams. Watching both teams perform the war cry was a wonderful sight to behold and a powerful reminder of what Primary School sport is all about! Congratulations gentlemen and thank you for a fantastic season.

6 Gold

Unfortunate loss from the boys today with the score resulting in a 4-0 loss. However, the boys really showed what they had learned and used that to create multiple plays from the back which resulted in the ball in the box with a few unlucky shots from our strikers. Good stuff this season lads.

6 White

In their final game of the season, the 6 White team had a tough match, trailing 7-0 at halftime. Despite rallying in the second half, they lost 9-2. They showed grit and some great plays but couldn't catch up to the other team's lead. Tough way to end the season, but they showed heart and determination until the final whistle.

5A

After a well fought season, 5A's finished on a 0-0 draw against ATC.

With a late sickness forcing the 5A's to play with no subs the boys did tremendously well to stay in the fight against a hard running ATC side. The boys were able to implement great shape and played out very well from their own third to keep possession. Never giving ATC much of a sniff at goal.

In the final third however, ATC had fantastic scramble defence and kept applying just enough pressure to ensure Marist couldn't put on their shooting boots. Crosses were flying in, through balls were creating chances, but all went begging as Marist just couldn't capitalise.

As a squad, all the boys should be extremely proud of the attitude they showed while wearing the blue and gold. The group is certainly looking to be highly competitive for many years to come and we cannot wait to see them go again next year!

5B

In true Marist 5B fashion, the young men delivered a clinical performance, securing a dominant 10-1 win over ATC. The energy and sense of brotherhood the 5B's have developed really shone through on Saturday morning. Very exciting for Reagan and I to see!

The match started slow, with both teams seemingly equal. After a few missed opportunities from Marist, Tom Cramp finally struck, etching his name onto the scoresheet. Not long after, Orlando, through an artistic display of dribbling, also found the back of the net. After strong attacking prowess from ATC, they notched one back, pressuring the Marist men to step up. Rising to the occasion, Tom Cramp coolly slotted another goal, putting Marist back in control.

This goal right before halftime seemed to ignite the Marist men. As soon as they stepped back onto the field, the 5Bs exploded. Tobey wasted no time, netting two goals in quick succession, putting his team firmly in charge. Tom Cramp wasn't done either, adding another two goals to complete his hat-trick. Lucas, Sawyer, and Orlando all got in on the action as well, each finding the back of the net with a goal apiece. ATC simply couldn't contain the offensive onslaught, and the Marist team cruised to a dominant victory.

Special commendation goes to Toby and Tom for their clinical finishing in the second half. Their six goals between them broke the game open and put Marist firmly in control. This dynamic duo showcased not only their individual talent but also their ability to create chances for each other, a potent combination that proved devastating for ATC.

Overall, the match was a demonstration of how hard the young men have worked throughout the season, and each and every player proved vital to the success of the team. Reagan and I looked forward to every Saturday morning to watch the boys put on their usual masterclass. Well done boys, and we hope to see you all back next year!

5C

In what proved to be our most challenging game of the season a 4 - 0 win speaks volumes on how impressive our lads have been all season. Dressed in a suit after losing a bet at training I was feeling especially inspired before the game started and the boys played as classy as I was dressed. A first goal all season for Ben Blinkhoff and a MOTM performance by Spencer allowed us to win comfortably. Again.

I'd like to thank the boys for a memorable return to the college for me and I hope to see them on the back page in a few years.

5D Black

Confidence? Cockyness? The boys were assuming an easy game against their fellow classmates but the Gold team had other ideas. Some great combinations from the Gold team and some poor mid field control resulted in an unexpected 1-3 at half time. Five (yes 5) balls hitting the crossbars did not help.

Some tweaking in the midfield and strong words from the coach resulted in a change of attitude. Terrific second half efforts from Declan Baines and everyone in the midfield plus a last minute goal to striker supreme Ross Murie resulted in a deserved draw.

A great rendition of the war cry from both undefeated teams was the best way to end the season. Man of the match goes to an underrated player who did his job every game, played his best game today and made the coach wear a suit: Charlie Brown

5D Gold

A fitting way to end the brilliant season from 5 Gold. After a long winning streak the final game against their classmates for the final game. Both teams put up a fierce offense which was equally matched by some of the best defense I've seen all term. With goals alternating, there was no room for complacency. In the end, the matches ended with a draw meaning that neither team went home ending on a loss. Angus and I are very proud of the lads for their efforts all season.

5D White

Our last game of the season was a tight one with only 2 goals being scored. The boys were not short of effort putting numerous shots up however we could not get past their keeper until we received a penalty which was put away by Eli. The defensive efforts of Patrick Thirgood must be commended ensuring shots were kept to a minimum. Additionally, Oscar's willingness to go keeper as well as his skill was a huge factor in the small amount of goals we conceded throughout the season. Congratulations boys for the awesome season.

5 Green

5 Green finished their season strongly with successive victories. They truly came into their own. All players are to be commended for their efforts. Our defenders were very strong and overall we maintained possession for much of the game. Our midfielders proved to be an asset with their excellent work. Well done to William Petie for his excellent goalkeeping. Our strikers were also in top form. Well done on an excellent season boys. You have gained so much confidence and really learned to communicate with each other.

5 Blue

Last Saturday, 5 Blue played their final game of the season, facing Villanova in the first half and our training partners, Marist 5 Green, in the second half. After a recent winning streak, the team was energised for this concluding match. The boys performed admirably in the first half, scoring early goals. Their excellent offence and strong defence secured a 3-1 lead for Marist by halftime. However, the second half saw a different scenario as a determined Marist 5 Green took the field. The boys were surprised by their opponents' relentless efforts and ultimately fell to 5 Green with a score of 2-1. Congratulations to the team for their remarkable improvement throughout the season. Special recognition goes to Eli Li for consistently stepping up as Goalkeeper, a role many others were reluctant to take. Additionally, a big congratulations to Cooper Brandis, our Man of the Match and Player of the Season, whose unwavering performance week by week was a tremendous asset. Well done, everyone!
