Principal: Karen Bond

Dear Year 6 Students, Teachers and Parents/Caregivers,

As one of four Special Interest Music Centres (SIMC) in South Australia, Playford International College (PIC) offers music scholarships for students who successfully audition into our music program. The audition process is open to any students who play an instrument, including voice, and we encourage all students who have a passion for music to apply. Included with this letter are application forms and a brochure for your information.

Students selected for this course will benefit from the following:

- The opportunity to learn multiple instruments to broaden their skills acquisition
- Extended musically through participating in the Special Interest Music course where they will study composition, ensemble performance, solo performance, musical styles, and music technology
- Entitled to receive financial subsidy (\$450) towards the cost of private tuition on one instrument
- Provided unique opportunities to engage in workshops with professional musicians and industry professionals. Through collaboration with a range of external organisations, potential outcomes include work experience, performance opportunities, tertiary pathways, and industry employment
- Provided with free one-on-one instrumental tuition on their first instrument or voice
- Provided with free group instrumental lessons on any additional instruments
- Participation in co-curricular performance groups and continue special and elective music studies through to year 12

Special Interest Music students also participate in intra and interstate travel, have the opportunity to perform at many high profile public events and work with industry and music professionals. This is an exciting opportunity for students and we hope you will encourage them to apply.

Application forms need to be submitted online or to PIC by **Friday, May 12 2023**. Please do not hesitate to contact the Special Interest Music Centre with any queries. Online application can be accessed via the QR code.

Auditions for current year 6 students will be held in term 2, week 3 2023.

Applicants will be contacted to book the audition day and time once forms have been received.

Yours sincerely,

Jenna Miltenoff
Head of Music

Karen Bond
Principal
