Pascoe Vale North Primary

ATTN: Amy Muller

Friends, you're like a warm bowl of soup on a cold winter's night!

Because of people like you, our team can keep feeding 65,000 Victorians every day...and counting. I want to thank you personally for helping to bring healthy, fresh food into the lives of so many people doing it tough this Winter.

Your generosity gets us closer to our dream of reaching everyone who needs us. Like those families and individuals who have never had to seek our help before, pushed to their limits by heating bills and rent rises and mortgages.

Thanks for putting your arms around those doing it tough and helping them see things won't be like this forever.

Sincere thanks,

Dave McNamara
Chief Executive Officer
