Hopefully, you have heard via our newsletter and through your children, of our upcoming event on **Thursday October 24th at SKiPPS.**

'SKiPPS An Odyssey' Celebration of the Arts 2024

Celebration of the Arts is our annual presentation of the Visual and Performing Arts curriculum. Each year there is a different theme and it showcases various types of visual arts, movement, singing, dance, music and drama. The event this year centres around mythology. Students across the school have been creating visual and performing art linked to this theme which will be on display, accompanied by their performances at our annual evening Celebration of the Arts event.

More details of the meeting and performance times will be advertised shortly.

As always, we endeavour to make the costuming for the evening as simple, practical, inexpensive, and as sustainable as possible. Your assistance and support in your child's preparation for the event is much appreciated.

All students in 5/6L and all of Year 1/2 are performing in the '**Roman Pantheon**' part of the production. We would like them to have a **costume with a white base**. This could comprise of a **plain white t-shirt or buttoned shirt, plain white shorts/leggings/trousers/jeans or a plain white dress**. If you would like to add any accessories that link to the ancient Roman theme, please feel free but isn't necessary.

For example, a sash of any colour material, draped across the body. Any coloured material or shawl draped across body and pinned at shoulder and opposite hip - draped across the body diagonally, brown accessories e.g. belt or a gold headband.

Don't feel like you have to spend a lot of money and make something extravagant. Second hand shops and your child's wardrobe are great places to start. We have put some ideas on the back of this letter.

Please keep in mind students will have to perform in the costumes so freedom of movement, secure accessories and un-obstructive headware is essential!

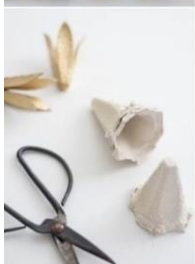

Contact your child's teacher, Chantel or Tanya if you have any questions.
