Wheels Day

Our regular wheels day is back with a vengeance! This event is so popular we are asked to do it basically every vac by our regulars! Please bring a helmet and some form of wheels (bike, scooter, skateboard, skates) so that we can ride around the school and the town oval together.

**Cookie Baking
+ Letters to Santa**

Today we will bake and decorate our own Christmas cookies! If that isn't your style, you can decorate your cookie with dinosaurs, fairies, cars or dogs – we don't mind! Let's see what you create! We'll also have a go at writing a Christmas wish-list and letter to Santa, should your children be into that sort of festive writing! OSHC teachers have a direct postage line to Santa, so we thought we should use it!

School Aged Fee: \$75.00
Kindy Aged Fee: \$85.00

**Christmas Dance Party
+ Town Walk**

Wear your most festive attire to our dance party to finish off the Vac period! We'll play some Christmas tunes and decorate the OSHC room in fairy lights for our final hurrah! Later in the day, if the weather is permitting, we'll do a town walk to show off our colourful festive gear – and of course to wave hello to the cows and sheep!
