

MCA Basketball – Match Reports

Round 6 vs. St. Peter's Lutheran College

2nd V

The seconds played a strong game against a very determined SPLC. They led all the way with Fred Hassan putting his body on the line and with a strong injection from Riley Keen. Eddie Manson was in good form and Andrew Crook earnt the MVP.

MVP: Andrew Crook

A gritty performance from the lads this week. A combination of both scrappy and good runs. Fortunately, our team's defence is the core of our game and ultimately was the reason we won this game. Although our offence was up and down, we were able to effectively stifle St Peter's offence. Now recording 3 in a row, we'll be looking to finish strong at home for the final game of the season.

MVP: Declan Tunny

Great game from the 10A boys against St Peter's which saw our first win of the season winning 48-42. After being down in the first 3 quarters, the boys put in the effort, grit, and determination to secure the lead early in the 4th. All team members contributed, and it was an amazing display of teamwork that got us over the line. Boys, you should be extremely proud of yourself and each other after that game. Everyone played together and for each other and the hard work has paid off. Great work fellas.

MVP: Jack Forester

10B

The 10Bs continued the trend of their season with a dominant win against St. Peter's 40-26. The lads did well to shake some early head noise caused by a low scoring first quarter to maintain their composure and pile on the points as the game went on. Congrats on another win, let's turn it into an undefeated premiership next week against Pat's. 1 to go.

MVP: Tom Reck

9As started well with our press causing St Peter's a lot of difficulty enabling us to open a decisive lead early. Apart from a period before half time when St Peter's closed to within 7 points, we maintained a significant lead throughout. We dropped off markedly at the defensive end as the game progressed allowing a lot of transition baskets to St Peter's. This is an area we need to focus on.

MVP: Isaac Deem

9B

A very one-sided game, SPLC never got going the game finished 73-10.

MVP: Parker Ullman who finished with 36 points

The boys had a tough game against St Peter's. The boys were down the whole game until a strong third quarter helped get them over the edge. In the fourth quarter the boys had to grind it out against a hot St Peter's team and we managed to prevail. Credit to the boys for staying composed and getting the job done. Time to wrap up the season with a strong finish against St Pat's.

MVP: Aiden Lau and Leo Morris

8B

Coming off a very tight loss to Iona last week, the team came into the game focused and locked in eager for a win. Marist started off the game poorly – however the further the game progressed the more Marist dominated, with big defensive efforts from Harry Beasy, Levi Fisher and Cooper Chugg.

MVP: Cooper Chugg and Harry Beasy

7A

Although not putting up the greatest 4 quarter display, the 7As got the job done this week against St. Peters in a comfortable fashion. With a solid display of rebounding and finishing from Connor Campbell, Will Stigter and Coen Netzler, we were unstoppable on offence. Tom Hammond, Ethan Taylor and Quinn Lovering showed their development over the season as they proceeded with no hesitation to take the wide-open jump shot or to drive to the hoop when necessary. A win against St Pats away from home will be a great way to end a solid season for the boys.

MVP: Coen Netzler
