

MURRUMBEENA PRIMARY SCHOOL
Student Led Conferences Years 3 – 6
Wednesday 3 September 2014

The opportunity for you to discuss your child's progress at school is an important one. We also believe it is important to involve the students in this reporting process. As a result of this, we are inviting you to come with your child and participate in a **student led conference**. Your child will discuss their goals and celebrate their achievements with you during the session. They will have selected some pieces from their portfolios or workbooks to share with you, giving them a chance to share the learning that has been important to them this year. There will be several student-led conferences happening in the classroom at the same time. It is the responsibility of the students to lead the discussion, sharing their learning with parents and setting improvement goals together. The teacher will be available to prompt if necessary but is not involved in the conference directly.

If you would like to speak to the teacher about your child's progress confidentially, please make an individual appointment with the teacher at a mutually convenient time.

Please come ready to share and celebrate in your child's learning and help them to set their goals for the rest of the year. We look forward to seeing you.

Teachers will confirm appointment times in writing.
