Important Booking Information for OSHC

How to Book: Please return completed booking forms in person or via email to wheelershilloshc@gmail.com.

✗ Do not hand them in at the school office or give them to classroom teachers—these will be sent back with your child.

No Phone Bookings: We can't accept bookings over the phone or through the classroom. This helps us manage bookings in the correct order, especially for waiting lists.

Invoices & Payments: Invoices are sent out every two weeks. Please make sure payments are made by the end of that week.

Making Bookings During the Program: You can still book during the program if there are places available.

Cancellations: Once you book, you're responsible for the fees—even if your child doesn't attend.

✓ The only exception is if your child is sick and you provide a medical certificate within the same week.

Enrolments: We follow government guidelines when accepting enrolments. If you'd like more info, please speak to the Coordinator.

Behaviour Policy: If a child regularly shows unacceptable behaviour, they may be suspended from the program in line with our policy.

Wheelers Hill Primary School Vacation Care Program offers a Quality Program for children to spend their holidays. Excursions and Activities are organised for each day by skilled and motivated Educators.

The Vacation Care Program is available to all children/families attending Wheelers Hill Primary School and Community Families

Vacation Care – June – July 2026 Updates

Program Location

This holiday, Vacation Care will run from the Main Room.

Excursion

We will have one excursion only—on the last Friday of the holidays.

This helps us better support families needing care throughout the break.

Grade 4–6 Program

We're continuing a special program just for Grade 4–6 students.

It will run from the Music Portable (next to the Gym).

These students will join the main activity but also enjoy extra challenges and activities based on their interests. They'll have more flexible routines, with some activities lasting a whole day or even a few days.

 Note: You still need to sign them in and out at the Main Room each day.

Nude Food

To support sustainability and match school practices, we're asking families to pack "Nude Food"—lunches and snacks with no disposable packaging.

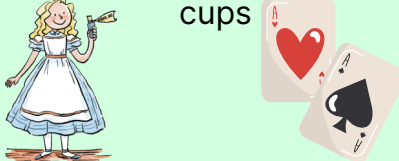

This helps reduce waste and teach kids eco-friendly habits!
