

I can do the following things in Italian Year 6

	self	friend	parent	teacher
* I can talk about what I do in my free time				
* I can interact with someone to find how they spend their free time				
*I can use times (months, days, times) to organise catching up with people				
*I can negotiate and collaborate with others to organise a party; guest list, location, food, entertainment etc.				
*I am able to compare leisure activities enjoyed by Italian vs Australian people my age				
*I can explain some celebrations/customs which are particular to Italy.				

Keep 'refreshing' your use of language from previous years!

I can say, read, write and understand these Italian words and phrases Yr 6
