

Term 3 Performing Arts **Curriculum Overview 2025**

This term, the students of Sacred Heart are developing a wide range of creative skills as they rehearse for our school production of Frozen Jr..

In Drama, students will be exploring character roles, building performance confidence, and working collaboratively as part of an ensemble. They are learning how to express story themes through voice, movement, and rehearsal techniques.

In Music, they will be developing vocal skills such as pitch, rhythm, and projection while performing well-known songs from the show. They are also learning to interpret music and express emotions through singing.

In Dance, students will be learning choreography, improving coordination, and using movement to enhance storytelling and stage presence.
