Welcome

Dear Children, Families and Aitken College Staff

This is my last newsletter, as I have accepted a new position at a new school with new challenges.

It has been a privilege to have worked at Aitken College and to have been a part of the Aitken Community, where I have been able to share the children's journey through school, and watch them become amazing people. I have made many friendships and have very fond memories that I will take with me, and I thank you all.

Wishing you all a safe and healthy 2019.

Merry Christmas!

Mrs Jody Basso
OSHC Coordinator
