Date: **19/03/2018** Phone: **0402 274 921**

DIY World map- Last week, we were discussing about how we would like to celebrate our multiculturalism. The children were making a 3D map of the World on the wall from their imagination along with the World map poster. They were helping their friends to stick the paper on and discussed with each other well, sharing their knowledge about the countries around world.

HONEY JOYS – Honey joys are one of the children’s favourite menu items in GOSH. Last week the children were choosing what to make from our recipe book. We were making honey joys with the children, taking turns to mix the ingredients and spoon the honey joys into the paper cups. They are enjoying cooking with their friends and having a healthy second snack in GOSH.

Puzzles- Last week we had puzzle challenges in GOSH. The children had to team up and do the animal puzzles within 2 minutes. They were supporting each other through the challenge with mixed ages in each group. It was amazing to get the children to work with their friends and they had so much fun in GOSH.
