## JOIN IN GOD'S MISSION

Through LCA International Mission, Lutherans in Australia and New Zealand are following our Lord Jesus Christ in *his mission to make disciples of all nations.*

- 1 PRAY** • Many of our partner churches are working in brand new territory for the kingdom of God, and therefore spiritual attack is their everyday reality. As a congregation, school, family, couple or individual, please commit to praying for our overseas staff and partners in mission.
- 2 GIVE** • We take great care of your financial gifts. You can be confident they will assist our Lutheran partner churches to bring the good news of Jesus to their communities and beyond their borders.
- 3 CONNECT** • We invite you, your congregation, school, small group or family to become personally involved with an overseas program or community. Your partnership is a great encouragement to people who have been working hard and long in emerging mission fields, and also to the many people who are just beginning their life journey with Jesus.
- 4 GO** • Want more? You can experience firsthand how God's love is coming to life through the word-and-action gospel work of our partner churches. Please talk to us about volunteering and service-learning opportunities—and be prepared to be changed forever.

## Pastor Murray and Tracy Smith | PAPUA NEW GUINEA

In 2022, Pastor Murray Smith took up the Call to serve as a lecturer at Senior Flierl Seminary and became part of an on-going ministry, which began in the 1880's and was established at Logaweng in 1906. There are consistent numbers of students coming from villages to the seminaries to be trained for the pastoral office of the ministry. The evangelism focus in Papua New Guinea is very strong and students are trained mainly to return to their villages as servants of Christ. Your support will enable Pastor Murray and his wife Tracy to serve in Papua New Guinea, as well as provide Bibles and other vital book resources to ensure this wonderful ministry continues to grow in an ever-changing world.

## Ogelbeng seminary | PAPUA NEW GUINEA

Ogelbeng Seminary is one of three Lutheran seminaries run by the Evangelical Lutheran Church of Papua New Guinea. It is located about ten minutes from Mount Hagen, the capital of the Western Highlands province. The Seminary trains local pastors and their wives in the gospel, to serve their communities. Your support of Ogelbeng Seminary allows for lectures to be provided in Pidgin English (the heart language of the students), as well as providing daily provisions for the students and their families. During their study, students and their families grow fruit and vegetables in communal gardens; this will most likely be part of their daily life as they serve in a local church community.

These are safe places for children to learn new skills and to meet people who care for them. It also gives the church an opportunity to reach out to people in their villages and with the 'Strong and Safe Families' project, work to strengthen family life. This is a project that facilitates parish diakonia work, as the local churches run the clubs. Your support will ensure the clubs continue to be a safe place for children to learn and participate in different activities, as well as being a way for the church to reach out to their neighbours.

## Lutheran Study Centre | MALAYSIA

The Lutheran Study Centre (LSC) at Sabah Theological Seminary in Malaysia, was officially opened on 9 March 2012. The LSC was established to address a need that had been identified: that of enhancing Lutheran confessional identity among the member churches of the Federation of Evangelical Lutheran Churches in Malaysia and Singapore. Your support of the LSC enables the Centre to serve the Lutheran Churches in southeast Asia by providing distinctive Lutheran training for pastors, lay members and theological students. Seafarers spend months at sea, isolated and far from home. The ILSM reaches out to seamen and fishermen by visiting them on their ships, offering the hand of welcome and friendship, caring for them and sharing the Good News of Christ's gospel. Your support will help fund Care Packs for seafarers and fishermen, which includes two boxes of cookies, a bottle of vitamin C, hand sanitizer and a box of masks.

## Chak Mun | CAMBODIA

Chak Mun is a Singaporean who has been serving with the Lutheran Church in Cambodia (LCC) for six years. His role is mainly to provide youth training in the four LCC congregations: using the Youth Alpha course (in Khmer language) and the A-Z of Jesus' Journey and teaching on the ten commandments. He also facilitates small group leader training for selected youth leaders. The leaders are trained to facilitate small groups, using techniques of active listening and providing effective feedback. Your support enables Chak Mun to carry out these duties, as well as organise eye surgeons and medical personnel to provide free eye surgery, targeting people suffering from cataracts and pterygium and to offer a school counselling service, as an outreach to young people.
