Term 4, Week 2, 2021

We are very excited to welcome back our Kelly Club families in the next few weeks. We have lots of fun activities planned for the children during Term 4, some of the themes that we will be doing include Halloween, Diwali, Summer, England and Christmas. We look forward to the weeks to come.

During week two, our theme was *"The world of colour"* which was picked by one of our children. We created many colourful things such as, rainbow fans, we played with coloured playdough, created some awesome bands with scoobies, did a very bright flower and of course made a rainow. The children did a fantastic job exploring the world of colour and really did make it a colourful week!

Reminder:

Please let us know if you require bookings for your children for when they return in the next few weeks.

As it is Term 4, the children need to start wearing hats when playing outside. If you could please provide your child/ren with a spare labelled hat to leave at the program. NO HAT, NO PLAY!
