Around the Grounds

6A

6B

This week we worked on being more physical over the contest and making better decisions with the ball. The boys executed this almost flawlessly. At the we were rushed and kicked some bombs down the line and times we made short sharp kicks to open guys. Coming away with our first game of multiple goals boys were pumped for what's next.

6C

6C came away with a hard fought win today. We got out to a good lead and then it was neck and neck until the last quarter where the opposition had a good crack at us, the boys stood strong to hold on for the win.

6D

After a tight first quarter, the 6Ds showed what we had been working on in training over the next three quarters. There were some great interchanges of passing that led to goals for Benji Robertson and Kash Webb. The boys worked well as a team and their swarming defence allowed us to keep Lawries to one goal for the match. A number of boys got on the score sheet with a few kicking their first goal of the season in a great team performance.

5A

Came up against another quality opposition and continued to learn more about AFL. Focus is on our defence and making it hard for the opposition to score.

5B

5C

5C worked hard all game to have possession of the ball, with both strong defence and attack elements every quarter. Losing by one goal in the last minute saw the boys take a loss however a very strong game was played by all this week.

5D

A very strong start in today's game with the Marist boys winning the first quarter 19-9. Padua struck back with the next half but the boys maintained a fantastic effort and great positive attitude throughout.
