OSHC.

ROCKETEERS

We have started the term 2 with wellbeing activities where children got an opportunity to prepare their body, mind and soul to smooth transitioning. They followed the yoga cards for different yoga poses under the guidance of the coordinator. All the children were refreshed and enjoyed doing the yoga poses. They also did a calming activity for their wellbeing, shell/stone painting. They painted beautiful colourful shells /stone with patience.

Anzac Day was celebrated by making poppy flowers. Children understood the importance of this day of remembrance to honor war veterans. Children made the poppy flowers with love to show the respect for the war veterans.

Appreciation is an important quality that a child should learn. With the help of a child, we have put up the appreciation wall. Children write down their appreciation for their friends and put it up on the wall for everyone to see. All the children feel good and motivated and learn to appreciate each other whether it is big or small.

The other vital quality is being independent! Children here learn to serve themselves during morning and afternoon tea. They understand that it is important to take turns while helping themselves. Educators are always there if they need any assistance. They also take initiative to take up duties to serve the other children, which displays their leadership quality.

ROCKETEERS MISSION XIII- Holiday Program

The Rocketeers club was conducted during the holidays with fun-filled activities. Children learnt to work in teams by doing various activities like painting the tent for setting up the vibe for camping and displayed their narrative skill by putting up shadow puppet theatre. They also used their creative minds while enthusiastically involved by doing slime making, damper making, painting their own umbrellas. There were excursions and incursions for their overall personality development. These included a visit to comedy festival where they had a gala time and were entertained at Kung Fu Panda movie. They also had a Trivia Time where all the children participated with great zeal. Their last day winded up with Pajama party. Children created their own attractive sleeping masks.

If you would like to know more about the program, feel free to contact our friendly team at Your OSHC located in the school hall or call on **0452 247 850**.

Register free and book in 24/7 via our app

To attend our program, you must register your child. You can register an account with us at pp.campaustralia.com.au or by downloading our Camp Australia smartphone app from the Apple App Store or on Google Play. Once registered, it's easy to make bookings and manage your account.
