WHAT'S BEEN HAPPENING

FRIENDLY COMPETITION

Over the last couple of weeks, OshClub students have participated in some skill-based competitions. A couple of the most popular competitions we run were the paper plane comp where the kids made their own paper planes and then lined up to see whose went the furthest. We also had a basketball tournament and played around the world.

ARTIST OF THE WEEK

OSCAR COLELLA

Well done to grade 3, Oscar Colella for creating fantastic Leonardo Da Vinci inspired art work this week.
