

# KELLY CLUB AITKEN NEWSLETTER TERM 2

**We cannot believe that we are already near the end of Term 2! Holidays will be fast approaching!**

**Term 2 has been very busy at Kelly Club; the children have been involved in many different types of themes and activities throughout the weeks. Some of our themes included Messy play, Prep week, Grade 1 week, Mother's week and Special days around the world.**

**Some of our activities included going to the school's farm, sports, sensory activities, group games, science, cooking and many arts and crafts.**

**The children have loved the activities that we have provided thus far, as we have tried to create many different experiences for them to have while at the program. The children have had a lot of involvement with our planning and some of our older children have even led the activities. We will continue to work with each child throughout the year to involve them and provide them with more opportunities and responsibilities.**

## Important Notice-

*An email was sent out to all Kelly Club families in regards to the changes of CCS. Please ensure you have read that email carefully and please let us know if you have any issues or concerns.*
