

## **Henley West School Football Registration Forms and Season Information**

The school football season is just around the corner again! In order to be ready for the season, we are seeking registration forms to be completed and returned with payment this term, allowing us to have coaches and equipment ready to go as soon as we return to school in Term 2.

Attached to this note is a registration form (including fee payment), medical information, and code of conduct. These forms need to be completed, signed and returned to the front office **no later than Friday 20<sup>th</sup> March**. It is important that we have all the information on these forms ready before the end of Term 1, as the competition begins in Term 2. The first games will be on Saturday 2<sup>nd</sup> May.

### **Registration Fees**

Registration fees for 2015 will be \$45 per player (\$35 for second players in the same family). This is the same as last year. The registration form has an option for credit card payments. ***Please note it is school policy that your child will not be able to play football if registration fees are not paid by the due date above.*** If you are experiencing difficulties paying the fees please see the principal.

### **Coaches and Training Times**

Teams train once a week after school, and games are played on Saturday mornings. We are currently recruiting coaches, and will provide details of coach names and contact details, as well as training times later in the term. If you are interested in coaching, please let me know ASAP by contacting me on the number below. All coaches will need to have police clearance before the season begins. This can be arranged at the front office, and the cost is covered by the school.

### **Uniforms**

Playing tops are included with registration fees. The uniform is navy shorts and navy socks. However, if you already have royal blue socks and shorts, there is no need to change over immediately to navy.

### **Parent Support**

As with most school sports, school football is run completely by volunteers, for the benefit of our children. There are activities requiring assistance on match day, including time keeping, goal umpires, oranges for half time, canteen and BBQ duties (home matches). Coaches and team managers will organise rosters to ensure all families share these activities across the season. Your assistance with this roster is greatly appreciated, many hands make light work!

Thankyou all in advance for the time and support you give to your children and their sport.
