Year 5 Player of the Match	24 – 4 Stirling McDonald	Bye					

Rugby League – Around the Grounds

Year 6

Another strong display from the Marist College Ashgrove Year 6 rugby league team saw victory over St Edmund’s College 20 – 8. Aggression in defence was a key contributor to the score line as the boys were able to keep their opponent in their own half for most of the match – leaving opportunity for attacking kick returns from Harry McAuliffe to set the team up in great attacking field position. This was the case for most of the match which gave opportunity for players such as Max Caughley, Phelix Meehan, and Riley Hansel to score, a match highlight was Jakson Cook scoring a length of field intercept try. Player of the match went to Harrison Barden for his damaging defence and leadership throughout.

Year 5

On Friday afternoon, the Year 5 Marist Rugby League squad played against one another in a fiercely contested 8-a-side match. For those present on the sidelines, it was clear that the Year 5 boys approached this match with an Origin-like mentality. Despite normally being mates in the yard, the boys did not hold back once they took to the field with aggressive, stinging defence a real highlight of the internal match. Stirling McDonald, Tex Higginbotham, Jack Davis, Josh Caughley, Tom Casey and Charlie Casey produced some outstanding individual efforts throughout the game, and a special mention must also go to Lachie Cook for his strong performance in defence and his crafty play in and around the ruck. Well done to the entire Year 5 Rugby League team on producing such an entertaining, yet bruising encounter.
