Dear Parents and Caregivers,

Following up on recent communications, we are excited to further highlight the Art and History international study tour to Germany, Belgium and France in 2024 and to invite you to the Parents/Caregivers Information Night.

Open to students in Year 10, 11 and 12 (as of 2024), the Study Tour will take place in School Holidays Saturday 13 - Sunday 18 April 2024.

A prime focus of this trip will be an extensive educational tour of World War I battlefield sites in Belgium and France where Australian troops gallantly served and made huge sacrifices.

Culturally rich, the study tour will also spend time Paris to experience some of this unique heritage, including visits to the Eiffel Tower and the Louvre Museum. A visit to the opulent Palace of Versailles and Monet's Garden at Giverny also forms part of the itinerary.

In addition, time will be spent exploring key historical and cultural sites in Germany, specifically in and around Berlin, and Munich. Sites in Berlin include the site of the infamous Berlin Wall, Checkpoint Charlie and the Pergamum Museum. In Bavaria from the City of Munich, day trips to Berchtesgarden and Dachau we also form part of this invaluable experience.

While preference will be given to senior Art and History students, but we encourage other students from Years 10-12 to apply if they are genuinely interested in the program being offered.
