

APPLICATION FORM

This program is only available to students currently in Year 5

Curiosity: A desire to know

Do you have an enquiring mind?
Are you interested in challenging
yourself?

Do you have what it takes to
become a Specialist in Training as
part of the Fremantle College
Curiosity Club?

Curiosity Club: Specialist ICT

Discover how specialist computer software can assist you to design and create your own products. You will be introduced to industry quality design and graphics software, as well as have access to Computer Numerical Control machinery.

Curiosity Club: Specialist Marine Science

Understand how what we do today impacts on our oceans and the future of our marine environment. You will be involved in chemistry investigations, research the effect of climate change and pollution, and discover the anatomical makeup of marine life.

Please complete all of the below to apply for this exciting opportunity:

Specialist ICT Specialist Marine Science

(Please complete an additional Application Form if applying for both of our Curiosity Clubs)
