

Give Me A School Among The Gum Trees

<p>Verse 1. I've been around Woodend A couple of times or more, I've seen the sights, I've had delights But you can't beat Grade Four! So when my mates all ask me The place that I adore, I tell them right away.</p>	<p>Chorus <i>Give me a school among the gumtrees, We'll grow some broad beans. A sheep or two, round up the crew, We get the tough jobs done. There's heaps of room for fun And memories all to-oo share.</i></p>
<p>Verse 2. You can see me in the kitchen Baking up a slice. Fingers crossed it's nice! Just you and me, we build cubbies, Then later on we all pack up And jump back on the bus, To fin-ish off our day.</p>	<p>Chorus <i>Give me a school among the gumtrees, We'll grow some broad beans. A sheep or two, round up the crew, We get the tough jobs done. There's heaps of room for fun And memories all to-oo share.</i></p>
<p>Verse 3. There's rhubarb by the corner, And a playground down the street. And a chicken coop that's full of muck, "Put gum boots on your feet!" But I'd never, ever trade this, Our a little bush retreat. Where the roosters always crow!</p>	<p>Chorus <i>Give me a school among the gumtrees, We'll grow some broad beans. A sheep or two, round up the crew, We get the tough jobs done. There's heaps of room for fun And memories all to-oo share.</i></p>
<p>Verse 4. Some people like their schools With concrete all around. They always learn inside And barely make a sound. But me I like Carlsruhe you know, With children running round. The greatest place to learn! Yeh!!!</p>	<p>Chorus <i>Give me a school among the gumtrees, We'll grow some broad beans. A sheep or two, round up the crew, We get the tough jobs done. There's heaps of room for fun And memories all to-oo share.</i></p>
	<p>Repeat Chorus Give me a school among the gumtrees, We'll grow some broad beans. A sheep or two, round up the crew, We get the tough jobs done. There's heaps of room for fun And memories all to-oo share! And memories all to-oo share!!</p>
