

Holiday helpers needed

Sparkle, Snowy and Sapphire need some attention over the school holidays and would greatly appreciate your help.

This involves refilling water bowls and feeding the chickens, both morning and evening.

If you are able to help only in the morning or evening, please indicate this.

If you can help, please email your availability to Mme Wilson by Tue 13 December, or drop this notice into the school office.

A roster will be sent home with all necessary information.

The 'girls' would also appreciate any donations of tinned corn and chickpeas.

If you can help in this way, please drop tins into Mme Wilson's classroom or the school office.

Students donating tins of corn/chickpeas will have entries into our raffle. Please see the newsletter for more details.
