EXPRESSIONS OF INTEREST NOW OPEN

1-2-3 Emotion Coaching – Additional Needs

This is a gentle, supportive program for parents and carers of children who experience big or unpredictable emotions.

Designed for families supporting children who are neurodivergent, have a developmental delay or disability, or need extra help with emotional regulation.

Using a simple 1-2-3 approach, parents learn to notice and name emotions, support calming through connection and co-regulation, and guide behaviour once emotions settle.

Flexible, practical strategies.
No pressure, just support

FREE FAMILY FORUM:

RAISING GRATEFUL HEARTS FORUM

Presented by Positive Parenting Expert Rod Soper

What if small, everyday moments could help your child grow into a kind, resilient and grateful person? Discover practical, research-informed strategies to help children develop thankfulness, empathy, resilience, and a greater appreciation of others.
