Summer Reading Club for kids

Come to the library and grab a reading log. The more you read the more you will know and the more prizes you could win!

The 2019 Summer Reading program will run from Monday 2 December 2019 to Friday 24 January 2020.

No need to register this year just pick up a reading log on or after Monday 2 December and start reading! Suitable for ages 5 to 12 years.

A dedicated creative space, 'Create, Play, Learn', is available at Beaumaris Library. Come along to explore the technology yourself, or book into one of our guided tutorial sessions, listed below.

Technology that is available and FREE to use includes:

- Virtual reality headsets
- Oculus Rift
- Vinyl records to digital converter
- Slide photographs to digital converter
- VHS tape to digital converter
- LEAP motion
- Photo printer to print pictures directly off your smart phone (for a small charge).
- iPads
- 3D printer

All the technology in our Creative Space is identified as either free to walk up and use, or some staff assistance is required. If you would like some one-on-one assistance, volunteers will be on hand to assist on the third Wednesday of the month.

Take the technology home!

We want to inspire learning in science, technology, engineering, arts and mathematics. Experiment and explore with our collection of robotic, educational and digital converter kits available to borrow.

Type the exact phrase: "Create, Play, Learn at Home!" into our library catalogue to discover these brand new kits available to take home for a two week loan.
