TRANSIT DANCE CAREERS DAY 2022

# Transit Dance Careers Day

FREE one-day event for high school students

The Transit Career Day is a FREE, one-day event for high school students who have an interest in the performing arts industries and how Transit Dance can guide you towards your future career.

Hosted at the beautiful Transit Dance facilities and led by leading industry professionals, this unique event provides students with valuable information and insight into Pre-professional level training through a series of performances, seminars and workshops.

**PERFORMANCE:** Each day commences with an exclusive 60 minute live performance by our Pre Professional students in the Transit Dance Theatre. Featuring a curated selection of Jazz, Contemporary, Lyrical and Commercial dance works created by our very own faculty. These performances are designed to expose, inspire and demonstrate the versatility of training we offer.

**INFORMATION SESSION/Q&A:** Following the performance students have the opportunity to engage with the choreographers and cast in a 30 minute Q&A & information session.

**CAMPUS TOUR & INFORMATION SESSION:** Join our Head of Admissions for a guided tour of our facilities. This is also a great opportunity to ask questions and get advice about applying to Transit Dance, whilst providing valuable insight into the courses and programs we offer.

**WORKSHOP:** The afternoon sees students participate in a series of two 75 minute workshops with leading choreographers and Course Directors Paul Malek (Contemporary) and Kim Adam (Jazz). These informative masterclasses offer students an insight into our world class coaching and education methods in a fun and inclusive environment.

**Program Summary:**

**Date:** Wednesday 11th May 2022

**Time:** 10am - 3pm

**Location:** Transit Dance, 64 Dawson Street Brunswick

**Registration:** Registration for this event is FREE for eligible High Schools and select Dance studios. To be eligible schools must have a dance or performing arts program at their school.

Pre Registration is essential as there are very limited places available. Registrations will be offered on a first come first served basis, with a minimum registration of 10 students per school booking required.
