

Level crossing removal works Southern gravel parking area closed at Ringwood East Station

Works

From
Tuesday
7 February
2023

As part of the Ringwood Level Crossing Removal Project, the southern gravel parking area at Ringwood East Station will be closed from Tuesday 7 February 2023 for the duration of construction works.

The commuter car parks on both sides of the station and the informal gravel area on the northern side of the station will remain open for commuter use.

Trains will continue to stop as normal at Ringwood East Station during this time.

Further car parking areas will close in the coming months, with alternative commuter parking to open at Pratt Street, Ringwood - a 500 metre walk to Ringwood Station.

Keep an eye out for more information about these closures coming soon.
