Stage 6 Art Express, Study Morning and Workshop at the Art Gallery of NSW Excursion

Dear Parent/Carer

The College is pleased to announce a compulsory Stage 6 Visual Arts excursion to the Art Gallery of NSW. This will assist students with the practical and theoretical component of their course. The day will consist of students visiting the 2020 Art Express exhibition before attending a floor talk by the art educator curators and students represented in the exhibition. Students will have lunch in the Botanical Gardens, before walking back to the gallery for a workshop focussing on personal culture and arts practice. All aspects of the day will be valuable for student learning and development; however, in particular, it will afford them the opportunity to increase their understanding of how different aspects of the syllabus can be applied practically within Visual Arts studies.
