

AIC TENNIS INFORMATION

This year the AIC Tennis competition will run over a shortened 4-week season. All schools will be broken into two pools of 4 schools. The first three weeks of competition will be played as a round robin with each team in the pool playing all other teams in that pool. During the last round (8 August) schools will play the same ranked school in the opposite pool on a Finals day.

Each school will be responsible for hosting a certain age group during the finals round. A list of the host Colleges is found below. Year 5 and 6 teams will compete on Saturday morning as usual, however, they will not play finals on Friday 7 August. The Year 5 and 6 teams will play another normal round on this day as they do not compete for premierships in the AIC competition.
