"Let your light shine"

Dear Parents,

RE: 2025 FEES AND LEVIES

Please find 2025 fees and levies information attached. Every Fee Payer is required to fill in the **Fees & Levies Payment Intention Form 2025** and return to the school office.

2025 Prep families who have already completed and returned this form are exempt.

If you have an outstanding balance at the end of 2024 these will be added to your 2025 fees. All families with outstanding fees at the end of the year are required to discuss this with the Principal.

Our preferred method of school fees payment is via Direct Debit, please see forms and details attached. Other methods of payments available are:

- Lump Sum, Quarterly or regular payments
- Online Banking – Banking details included
- Centre Pay – Information and forms available at the school office
- Cheque
- Cash
- Eftpos

It is a policy of our school, that 'All families are expected to pay School Fees'. If you have any concerns regarding your fees, please make an appointment with the school Principal.

Please note - if you choose to pay via Direct Debit/Credit Card, a **NEW AUTHORITY FORM** is required for the 2025 year by Friday 6th December 2024.

Please use the School Fees & Levies table to calculate your annual fee, this will then need to be divided by 20 for fortnight payments or 10 for monthly payments and include on the Direct Debit Request Form.

Please note – credit card payments will be calculated x 20 fortnight or x 10 monthly payments.

Example below

	Fees	Total
Family Fees	\$1255 + \$50 + \$100	\$1405
Grade 3 Student fees	\$105 + \$320 + \$165 + \$405	\$995
	Fee Total	\$2400
Direct Debit Fortnightly Figure	\$2400 / 20 or	\$120.00
Direct Debit Monthly Figure	\$2400 / 10	\$240.00
Direct Debit Quarterly Figure	\$2400 / 4	\$600.00
Credit Card Fortnightly Figure	\$2400 / 20 or	\$120.00
Credit Card Monthly Figure	\$2400 / 10	\$240.00

Please be advised - Information for valid Health Care Card Holders is available in the school newsletter and further information regarding this and CSEF payments will be sent out in the new year.

Please feel free to call the office if you have any other questions.

Yours faithfully,

Naomi Egglestone
Administration Officer.

FEE LEVELS AND FEE COLLECTION POLICY

BASIC BELIEFS

- All who seek a Catholic Education and support the ethos of St. Mary's will be welcome in our school.
- All families are expected to pay school fees.
- A family fee is a financial advantage to larger families.
- Families experiencing financial difficulty will be supported with fee assistance through the Camps, Excursion & Sports Fund.
- Families who do not seek fee relief, through appointment with the priest or the principal, will be contacted to pay fees.

AIMS

- To be fair and equitable to all fee payers.
- To make fee levels reasonable for all families.
- To be compassionate towards those experiencing genuine financial difficulty.
- To provide means of payment which help families to budget e.g. direct debit and eftpos facilities.
- To structure fee levels to provide the budgeted money for facilities and resources to implement the school program.

IMPLEMENTATION

- Parents are made aware of the payment options i.e. eftpos, direct debit, credit card, centrepay, direct credit, weekly/fortnightly/term payments.
- Fee invoices are sent once year and followed up with statements sent as reminders each term.
- All accounts have a message inviting families to contact the priest or the principal if payment presents a difficulty.
- Families who do not contact either the priest or the principal regarding fee relief, and who do not make part or whole payment, are phoned by the principal. Responses are recorded and further action may be taken if payment is still not made.
