

TIME 4 Students

TERM 4 ACTIVITIES

September 2024

At The Gap State High School, we believe in 'Learners Who Flourish'. We value Thinking Big, Stepping Up, Paying it Forward and Being Kind. We are committed to developing young people to achieve their potential intellectually, personally and socially. We love learning, knowledge and curiosity and would like to invite students to engage in our Time4 program on Monday afternoons. Time4 Student sessions begin at 1:50pm and conclude at 3:00pm.

Each term, we will offer learning experiences for students to engage in through both internal and external providers. Some programs will even be run by our amazing students. The places in these programs are limited and there are fees attached to participate in some programs. The program offerings are detailed on the next pages.

To confirm your child's place in a face-to-face program, please visit the below link and register your child's place by 5:00pm Friday 4 October 2024. Registration will open at 5:00pm Tuesday 10 September 2024.

Registration Link: [link](#)

Registration Opens: 5:00pm Tuesday 10 September 2024

Registration Closes: 5:00pm Friday 4 October 2024

Places are limited and will be given on a 'first in' basis. Certain programs also depend on minimum numbers for viability. Please note, only eligible students can register for a program (please check the program suitability).

School Fees

If you wish to register your child for a fee-for-service program, then school fees are required to be up-to-date. Please contact the school's accounts department for any queries regarding school fees. Once placements have been finalised, invoices will be sent.

Refund Policy

As outlined in the Frequently Asked Questions, due to many programs being run by external organisations the fees for these programs are calculated on a cost recovery basis. The school budget cannot meet any shortfall in the funding of an extra-curricular activity due to a student ceasing participation in a program in which they had registered their interest and intent. Fees already paid for an extra-curricular activity may be refunded in full or in part or not at all, dependent on the associated expenses incurred by that activity and the reason for the ceasing of participation by the student. Any payment made to suppliers in advance will not be refundable.

Term 4 Weeks and Dates:

To assist with your planning when registering for a Time4 program, please visit the school calendar to check events that may be occurring at the same time. The dates for Term 4 Time4 are also listed below.

Week 2: 07/10/2024 – Public Holiday Week 3: 14/10/2024
Week 5: 28/10/2024 Week 6: 04/11/2024
Week 8: 18/11/2024 Week 9: 25/11/2024

Week 4: 21/10/2024

Week 7: 11/11/2024

TERM 4 ACTIVITIES

We look forward to this opportunity in providing a range of activities and programs to the students.

If you have any queries regarding Time4 activities, please contact us by email on time4@thegapshs.eq.edu.au.

Frequently Asked Questions

Do I have to sign my child up to one of these programs on Monday?

No. These are purely optional. If your child does not sign up then they are able to leave school early on Mondays at 1.20pm.

How do I sign my child up to one of these programs?

Each term an email will be sent to parents/guardians that includes information about the program (this document) as well as a link to register online.

Are there limits to how many students can be in a program?

Due to many of the programs being run by external organisations, there are limits to how many students can be in a group. These means that students will be allocated to programs on a 'first-in' basis. It is important to register as soon as possible to give your child the best chance of securing their preferred program.

Can I sign my child up to more than one program?

Students may register for more than one program as long as there is no clash of the weeks that these programs are running. Students may wish to sign up to a paid program in conjunction with the study room to ensure supervision is provided each week.

The program that my child is doing only runs for part of the term, what can they do for the other weeks?

If the program your child is registered to only goes for part of the term, you may register your child for the Study Room for the alternative weeks.

What happens if my child is away one week for one of the paid programs? Do I get a refund?

Due to many programs being run by external organisations, the school is required to confirm numbers prior to the program beginning. Due to this, once your child is allocated to a program, parents/guardians will be invoiced for the whole program. We are unfortunately unable to offer refunds once your child has been allocated to a program.

Do I need to contact the school if my child is going to be away?

Yes. Please use the same process for normal absences and indicate in your communication which Time4 activity they will be away for.

TIME 4 Students

TERM 4 ACTIVITIES

Can my child change program part way through the term?

Similar to a previous question, due to the nature of the paid programs being run by external organisation and staffing requirements, students will not be allowed to change program part way through a term.

Do I need to have all school fees up-to-date before participating in these programs?

If the preferred program is free, then no. However, if your child is wanting to sign up to a paid program, then yes, all school fees must be up-to-date for your child to be allocated to one of these programs. Please contact the school accounts department if you have any questions about this.

I have a great idea for a program that could be offered next time, who do I tell?

We would love to hear about programs that students and parents would like to see. Please email these through to time4@thegapshs.eq.edu.au

Program	Program Information	Suitability and Details
<p>Dance Club</p> 	<p>Join us for a blend of fun and challenge, where you'll learn dance techniques, small combos, and perform.</p> <p>Experience Jazz/Hip-Hop, Lyrical/Contemporary, and Musical Theatre choreography.</p>	<p>Year Levels: 7 to 12</p> <p>Dates: Week 3 to 9</p> <p>Cost: \$45</p> <p>What to bring: Sports uniform and water bottle</p> <p>Minimum attendees required: 10 students</p>
<p>Clay Club <i>With Kalyanii Holden or Ruth Elliott</i></p> 	<p>Join multi award winning artist Kalyanii Holden (Jade Tree Ceramics) or Ruth Elliott to create your next creation in clay. Our Clay Club is always a popular choice for students. We will continue to offer 2 groups, with Kalyanii and Ruth running a group each.</p> <p>Students will be encouraged to explore multiple hand building techniques including slab, coil, pinch pot with slip and colour applications. We will incorporate twigs, stones, and leaves from the natural world together with clay, throughout our creative exploration and within our mark making on the different clay bodies - incorporating colour and many different glaze choices on each sculptural form.</p> <p>We will continue to build on students' skills however, students at all skill levels are encouraged to apply. Students are encouraged to bring in an idea and with support will create what inspires you - the sky is the limit!</p>	<p>Year Levels: 7 to 12</p> <p>Dates: Week 3 to 9</p> <p>Cost: \$180 (7 weeks)</p> <p>What to bring: Your smile</p> <p>Minimum attendees required: 12 students</p>

Program	Program Information	Suitability and Details
<p>Bouldering Club</p> 	<p>If you're looking for an activity that is challenging, exciting, and just a little bit different, bouldering, with an introduction to rock climbing might be just the thing! The fantastic climbing gym in The Gap SHS offers an incredible opportunity for students to explore different styles of movement while engaging their natural curiosity in achieving their physical and mental goals.</p> <p>Term 4 Program:</p> <ul style="list-style-type: none"> • Weeks 3 to 6: Bouldering • Weeks 7 to 9: Introduction to Climbing 	<p>Year Levels: 7 to 9</p> <p>Dates: Week 3 to 9</p> <p>Cost: \$50</p> <p>What to bring: Sports uniform to climb in, water bottle, snacks</p> <p>Minimum attendees required: 12 students</p>
<p>S/ASH TECH Game Development Workshop</p> 	<p>Unleash your creativity with our Game Development Workshop! In this hands-on workshop, students will learn the fundamentals of game design and development using Game Maker Studio. Throughout the course, participants will explore the game creation process from coding to designing characters, levels, and interactions. By the end of the program, students will have built their very own game and gained valuable problem-solving and logical thinking skills. This workshop encourages creativity, collaboration, and technical expertise, making it perfect for those looking to break into the world of game development.</p>	<p>Year Levels: 7 to 10</p> <p>Dates: Week 3 to 9</p> <p>Cost: \$130</p> <p>What to bring: Your laptop with Game Maker installed</p> <p>Minimum attendees required: 12 students</p>
<p>TGSHS Launch+ DRAWING</p>  <p>Click to learn more</p>	<p>You will learn some basic drawing skills, but mainly this workshop is just to chill after school and draw. If you are unsure of what to draw, each week will provide prompts and new tools to draw with. (no drawing skill required, just a place to chill and improve your talents)</p>	<p>Year Levels: 7 to 12</p> <p>Dates: Week 3 to 9</p> <p>Cost: \$30</p> <p>What to bring: Your smile</p> <p>Minimum attendees required: 6 students</p>

Program	Program Information	Suitability and Details
<p>Dungeons & Dragons</p> 	<p>Come and learn how to play Dungeons & Dragons without having to struggle with time planning and getting all the right resources.</p> <p>Students will learn how to play the game and would take part in a campaign facilitated by the Dungeon Master/s. Participants will then create their own homebrew monsters, learn about magic items and running Non-Player Characters (NPCs), and learn to make their own campaigns and run their own sessions.</p>	<p>Year Levels: 7 to 9</p> <p>Dates: Week 3 to 9</p> <p>Cost: \$10</p> <p>What to bring: A notebook and pens</p> <p>Minimum attendees required: 10 students</p>
<p>SCOPE Tuition</p>  <p>Click to learn more</p>	<p>The SCOPE transition program empowers students in Years 7-9 with the vital skills and assessment techniques required for their senior years. This program is thoughtfully designed to align with their learning content and is tailored to benefit all students equally, regardless of their previous academic performance or confidence levels.</p> <p>Interactive learning is our core approach! Our overarching detective theme inspires curiosity and empowers students to identify their own weaknesses and seek solutions for improvement. Additionally, we provide weekly worksheets during each session to equip students with the skills needed to tackle exam-style questions using contemporary methods. By the end of each session, students accumulate valuable study skills, tips, and strategies, all meticulously documented on their collection sheets, thereby constructing a solid foundation for becoming self-motivated and knowledgeable learners.</p>	<p>Year Levels: 7 to 9</p> <p>Dates: Week 3 to 9</p> <p>Cost: \$210 (7 weeks)</p> <p>What to bring: A notebook dedicated for this program, textbooks, and other homework equipment.</p> <p>Minimum attendees required: 10 students</p>
<p>Study Room</p>	<p>A space for students to be supervised and complete individual study. School rules apply: No computer games, student must be registered online, no drop-ins.</p> <p>Please be aware that students are required to remain until 3pm for this program, just as they would for all programs.</p>	<p>Year Levels: 7 to 12</p> <p>Dates: Week 3 to 9</p> <p>Cost: Free</p> <p>What to bring: Your study materials</p>
