

# PE and Health Moments

## TEACHER MESSAGE

As we come to the end of Term 3, the Health and PE Department would like to celebrate a fantastic term of movement, learning and teamwork! Throughout the term, students have explored a variety of sports, including netball, basketball, footy and rugby, while developing their skills, confidence and ability to work together. A key focus has been exploring new games in a safe and respectful manner, as well as learning how to transition safely between different spaces around the school. This term, students also had the opportunity to participate in our swimming program, where they worked on developing their water confidence, swimming skills and water safety awareness in a supportive environment. In Health and PE, students explored important concepts around water safety and learned about making positive choices to promote healthy living and wellbeing. We are incredibly proud of the way our Acacia students have embraced new challenges, developed new skills and supported one another throughout the term. We are looking forward to an exciting Term 4 and all the opportunities it will bring!

Upcoming event: Footy Colours Day – 17th September.
