## Career as a Market Influencer

According to the Influencer Marketing Hub website, Influencer Marketing is now a mainstream form of online marketing.

Influencers, unlike celebrities, can be anywhere. They can be anyone. What makes them influential is their large followings on the web and social media.

So, a brand will work with a Market Influencer to market or promote one of its products or services. The Market Influencer will have a large following of subscribers and will improve recognition of the brand. They are the go-to people who provide the answers to people's questions about the brand they are promoting.

The Market Influencer is paid by the brand they are promoting.

# Tax File Number

Any student will need a tax file number if he/she starts work (part-time and full-time) and all students planning on a tertiary education require one when they start.

Importantly, current Year 12 students are reminded that they will be requested to provide their Tax File Number (TFN) on enrolment to TAFE or university next year, so it is worthwhile getting an application submitted early!

Students must now apply for a TFN online and have their identity verified through an interview at a participating Australia Post office.

To apply and also to find out about participating Post Offices, visit [Apply for a TFN](#).

## What is a Paralegal?

A paralegal is an individual, qualified by education, training or work experience who is employed or retained by a lawyer, law office, corporation, governmental agency, or other entity and who performs specifically delegated substantive legal work for which a lawyer is responsible.
