NetSetGo! Is designed as an introduction to the game of netball conducted in a fun environment. RHNC has been registered as a authorised ANZ NetSetGo centre.

Suncorp NetSetGO is a fun, safe, social and active program for girls and boys aged 5 to 10. It gives children of all abilities a positive introduction to netball and teaches them the basic skills of the sport.

Suncorp NetSetGO is divided into three tiers; Net, Set and GO, meaning that participants develop skills at a pace that's right for their age and ability.

Participants will take part in skill-based activities, minor games, and modified match play that will help them develop fundamental movement skills, as well as important social skills. Each session will be led by a trained coach, using modified equipment.
