

Hi I'm olive Black, I'm 6
years old. Today I'm on an airplane,
I'm going to a different country for a
visit. Well it's definitely ^{an} olive place!
One Day, olive Black ^{was} tired of working, so he
took 3 weeks to make a machine
He named it a Robot! It definitely was funny

Yes, the only ^{things} ^{olive Black} is
insects ^{and} ^{it} ^{olive} ^{Black} ^{is} ^{definitely} ^{an} ^{olive-shaped}
Robot! one day olive Black brought the olive-
Robot ~~at~~ ~~out~~ ~~side~~. Every body was
staring ~~*~~ at him like they are ~~*~~ looking ~~*~~ at
a dragon!!! And ~~his~~ ~~eyes~~ ~~to~~ ~~mouths~~ were open
very wide! Then he became ~~fa~~ famous!
every body took pictures of him ~~chik~~ chik!
chik chik! chik! ~~and~~ ~~even~~ ~~once~~ ~~there~~ ~~was~~ ~~a~~ ~~pike~~! Well
olive Black had a button that sprays water so he
pressed it.

One day olive Black was so happy that
he's famous! But he missed his country
a lot! So he gave the olives the
robot!!! But then he thought to visit
every country to give them a robot! So
he did! But instead he used a
rocket ship!

Hi I'm olive Black I'm 6
years old, today I'm on an airplane

I'm going to a different country
for a visit. But I'm thinking
to make a robot!
Will the olives like
the robot?
